

And so what the teacher in Ecclesiastes could never see, you and I now can because of Jesus Christ. In the evangelism, He is looking for the success of the Lord.

[34 : 58] But if you and me, we will see in Jesus' 10-11. The teacher could not fathom, right? Verse 11, what God has done from beginning to end.

But now we can because we see Jesus died and rose again. So the people who have said that the Lord's work is not able to do it.

But today, we will see the 10-11 of the gospel of the Holy Spirit. We will see that the Lord's work is always in the history of the Holy Spirit. And the gospel of the Holy Spirit is always in the gospel of the Holy Spirit.

This coming year of the Tiger, it marks a new chapter for all of us, right? That the new year of the Holy Spirit is always in the life of the Holy Spirit.

But what about you? What will you do with your time this coming year? What about you? What will you do with your time this coming year? If you are a visitor here or you are listening online and you are not yet a Christian, Is this year the time to seriously ask who is Jesus?

[36 : 03] If you are a visitor, or you are a new visitor, or you are in the house or in the internet, or you are in the internet, or you are in the internet, If you are not yet to see Jesus, this is the time to see Jesus?

Maybe it is time to join the church's seekers course, or to ask a friend to share the gospel, read the Bible with you. If you are in the church's church, you are in the church's church, or you are in the church's church, or you are in the church's church, we will be able to find the church's church.

If you have sat in these blue chairs for much of your life, but you have never confessed your sin and turned to Jesus, is it time to do that this year? If you are in the church's church, you have sat over the past few years, but I do not have any knowledge of Jesus.

Will this year be a time to be sure to share your life? Or is it time for you as a Christian to really commit to God's family here at PCBC?

We are already sure that we are faithful to the Lord. But is it a moment that we are really in the Holy Spirit?

[37 : 15] For some of you here, if God has been calling in your heart to do something for Him, is it time to give up something good for something better?

Is it time to follow His call for you into ministry, into mission, into the marketplace? Those people may be willing to know God's certiminating■■ and journey through time this year that we remember God's wisdom that we've heard today.

As you discussed, remember this, there is a time for everything. And remember, let's not just measure our time and control it, but appreciate it.

And remember, because in His beautiful timing, we have seen Jesus. Let's do whatever we can in our time to help others know Him too.

Our Father in heaven, thank you for putting eternity into our hearts. Forgive us for chasing eternity in our house, or our career, or our children.

[39 : 15] Thank you that only Jesus Christ, who loved us and died for us, can fill our need for eternity in our hearts.

And we pray all these things in Jesus' name.

Amen. Amen.
